We don't have many British they prefer to go to boring countries like Argentina and Chile which are ripping off everything we have in Peru. But I hope we will have more young British visitors here. In Lima is the only place in Latin America where Siouxsie or Ian McCullough are quite famous, despite there are no Peruvian editions of their records.

Fernando is in Feudales a post-punk type band but he was also in earlier Punk style bands as featured on my comp tape. There are about four tapes available from Fernando. Here are some music questions.

ARE THERE MANY BANDS? WHAT STYLES OF MUSIC?

Yes there are many bands and concerts. Styles, post-punk, American hardcore they imitate Californian trash e.g. Ataque Frontal, C-3, Descontrol. Also '78 punk style, Leuzemia. And many more styles.

WHAT ARE YOUR LYRICS ABOUT? DO THE GOVERNMENT HAVE ANY CONTROL ON WHAT YOU SING?

They're about my personal life about what I can see in my own town. The government don't care about bands like Feudales. But when I was in Narcosis there were a wee bit of problems. But the government don't control what I do or sing.

ARE THERE BANDS IN OTHER CITIES?

There are bands in other towns but they are not trendy. Only in Lima we know bands like Cocteau twins, Jesus and Mary chain, Shop assistants etc.

DO BANDS FROM OTHER COUNTRIES VISIT PERU?

There are bands that visit Peru especially from Argentina but they are worse than Madonna or Van Halen. There are also bands from Chile and Colombia etc but they are a load of crap. Only in Brazil produce good music. But happily in Peru we know more than on other Latin American countries about British or Spanish music. Not a lot of people but there's a big group of us who are always looking for superb bands on the British scene.

Here you can find places like the No Nelden club which is similar to the "100 club". We have all this because there are a lot of German youth coming here and they exchange with us, native music. We are waiting more British youth coming here. You can find several styles from h/c to Gothic, from Punk to political music like Billy Bragg.

ARE THERE ANY FINAL COMMENTS?

We hope if people like Siouxsie or Cure, Pelt etc could come here. We have theatres and places where they could play. We'll be very happy if they can come here Peru is not as fascist as the USA and is especially good for independent bands.

Much greeting at all the bands and the youth people.

NO WILLPOWER REQUIRED!

THE USUAL FIRST QUESTION, WHOSE IN THE BAND AND HOW LONG HAVE YOU BEEN GOING?

Kafka Prograss started in the beginning of '85 and after changing drummer twice the line up is: STIAN Guitar
NILS Guitar
GUGUIN Vocals
THOMAS Drums
FRIDTJOF Bass

DO YOU TRY TO PUT OVER IDEAS IN YOUR LYRICS? WHAT ARE THEY?

I don't think our lyrics are very different from other punk bands. It's about our daily life, against fascism, sexism, nationalism, war hunger. Our lyrics might be a bit different in the future. More like stories of how we think things should have been done. Ideas instead of only complaints. HOW DO YOU FEEL ABOUT THE ROLE NORWAY PLAYS IN WORLD POLITICS?

I can't see that Norway plays any role at all they just follow after the big and important countries (like USA). When USA and Britain decides not to boycott the fascist regime in South Africa, Norway don't boycott either. HOW DO NORWEGIAN PEOPLE REACT TO EVENTS IN THE REST OF THE WORLD? ARE THE PUNKS MORE OPEN Minded ABOUT THESE THINGS?

Most people don't react at all if something don't happen just outside their frontdoor. The punks are much more open minded about these things but it's hard for a minority to wake up a deaf majority. People won't listen they are so busy with their houses, cars, jobs and t.v. that they don't bother to think about other people. They read about hunger in the papers but as long as they have enough food themselves they won't bother to care. HOW IS PUNK PROGRESSING IN NORWAY? WHAT BANDS DO YOU RECOMMEND?

There's not many people who are into fast h/c here. But lately there's a lot of people turning metal (WATCH OUT FOR SUBSISTE!) listening to these rockstar bands. Even supporting them by buying records and paying 12 to get into their gigs. This is in my opinion one step backwards.

Good bands are Angor Wat and Barn av Regnbuen. Angor Wat have an l.p. out on C.O.R. records and Barn av Regnbuen have a 9 track e.p. out on X-port records.

WHAT KAFKA PROGRESS MATERIAL IS AVAILABLE? WHAT IS BEING PLANNED?

We have one track on the Na Ellet Aldrig comp e.p. on X-port records (sold out). In October we'll have a split l.p. out together with Disorder on their label. In November we'll record a 7" e.p. which will be out on X-port records.

WHAT DO YOU DO OUTSIDE THE BAND?

At the moment we are all working. Some of us play in other bands, I'm doing the X-port label and we're all working with gigs we set up at Blitz the youth house here in Oslo.

DO YOU HAVE NATIONAL ARMY SERVICE? HOW CAN YOU AVOID DOING IT?

Yes we do have but none of the band members have done it and won't either. It seems like they don't want punk in the army. If we just say we're taking drugs or using too much alcohol they usually let us free. If you just refuse they give you 12 months civil service but that means we have to work one year for the government for free. If you also refuse that they'll give you one year in jail. But as I said it is not very hard to get away from it if you just act a bit mad.

ANOTHER BAD SLAM FOR DAVE BISS!!

WHAT IS THE FUTURE FOR THE WORLD ???

It doesn't look to bright in my eyes. We're all under a fascist rule and it won't be easy to move the people with the power from their positions. As long as people won't realise that they're leading us into new wars I don't see much hope. It's to late to wake up when we are all radio-active and the bombs are dropped.

ANYTHING YOU'D LIKE TO ADD?

Support your scene. We have to make the best out of what we've got. STOP SUPPORTING METAL CRAP.

The Questions were answered by Vic Kaos sometime around September '86.
HOW LONG HAS THE BAND GOING AND WHY THE NAME ?
We've been together about four years. We like the name because it's sickening and offensive.
DO YOU CALL YOURSELVES PUNKS? HOW DO THE ORDINARY PEOPLE REACT TO YOU ?
No we don't call ourselves punks. Where the name Kennedy is poisonous with Jesus Christ. I hate Ted Kennedy, he's so full of shit. Just like the whole family...they suck!! The Kennedy's are like Elvis Presley...an american icon.
The average citizen thinks we're a harmless curiosity.
JUDGING BY THE LYRICS "UNION MAN" YOU'RE NOT TO KEEP ON UNIONS ?
DO YOU KNOW ANYTHING ABOUT THE UK UNIONS ?
Yea, the union man lyrics tell how I feel about organized crime, I mean american unions. I know nothing about the UK unions.
WHY THE KENNEDY FAMILY, LOTS OF PUNK MUSIC WRITERS ABOUT THE ?
I grew up in Massachusetts, where the name Kennedy is poisonous with Jesus Christ. I hate Ted Kennedy, he's so full of shit. Just like the whole family...they suck!! The Kennedy's are like Elvis Presley...an american icon.

I'm a union man oh yes I am
Get \$40.00 an hour for sitting on my can
I specialize, have my degree
In increasing productivity
Oh what a farce
I'm a union man!
Building houses cars the same ole way
Still trying to figure out how to increase pay
We'll turn into an angry mob
When we're priced ourselves
Right out of a job
Oh what a farce, Oh what a scam,
I'm a union man!
I got it now, I got a plan
Gonna bring my union to Japan
So underhilled workers make too much pay
Bring down huge corporations
The American Way!
I'm the leader now, I'm in my prime
At legalised organised crime
I'm the union man, I sing no blues
I'm busy collecting
Oh what a farce, Oh what a scam,
I'm a union man!

KILLER IN THE SENATE

When I was a little boy, I saw on my TV
A guy named Teddy killed a girl
Named Mary Jo Kopecne
They'd been at a party, down Chapaqueitue Way
Ted said he knew a private spot
Where they could go and play
Mary Jo - where did you go?
You left with Ted, and now your dead!
He thought he saw the bridge
But he was wrong, but he turned anyway
Right into Poucha Pond
Then he ran away and hid
where he would not be found
Trapped, underwater
He left her there to drown
Mary Jo - where did you go?
You left with Ted, and now your dead!
Two years suspended sentences
I couldn't believe my ears
If it had been me or you
We would of got 40 years
They thought his brother was a saint,
You see.....NOT ME!
Mary Jo - where did you go
You left with Ted, and now your DEAD!!

ENOUGH HEAVY STUFF..
WHAT THINGS MAKE YOU LAUGH ? T.V SHOWS
THEY'VE EXTEND.
HOW YOU HAVE BEEN ? I'm watching Monty
Python right now. (I WISH I WAS ACTING)
There's a cool show on week nights
called "Comedy Tonight", I love the Three Stooges.

WHAT DO YOU DO OUTSIDE THE BAND ?

I sell medical equipment and have a little family with my wife and kid.
Steev is a printer, the Kaplin is a mechanic.
ANY GOOD BANDS YOU RECOMMEND ?
SNOB (Slime from the Nose of Texas).
HAVE YOU EVER BEEN TO THE EVERGLADES ?
We're a thousand miles from the Everglades. I've flown over it, that's
being there, I guess.
ANYTHING YOU'D LIKE TO SAY ?
Buy our records, buy our records, buy our records, buy our records.

O.K that's M.S. Thanks to Vic. Their address is with the KML ad.
Band line up is Vic Kaos-guitar and vocals, Steev Kaos-drums and vocals
Keptin Krap-bass, Kandy Gram-keyboard.

WHAT WAS THE LOCAL FEELING ABOUT THE
BOMBING OF LIBYA ? AND THE U.S
FUNDING THE CONTRAS IN NICARAGUA ?
AND WHAT ABOUT AMERICAN PEOPLE FUNDING
THE I.R.A ? WHAT'S THE DIFFERENCE BETWEEN
THAT AND LIBYA'S INVOLVEMENT ?
Everyone around here supports the
bombing of Libya. I think it was far to
little to be effective. But the Usa
and Europe are fighting a terrorist
war with several Middle east countries.
I think the IRAS support from the USA
is from underground private organizati
ons, not the government.
The involvement with
Nicaragua is very stupid. I'm tired of
the Usa playing world police. But the
contras get lots more funding from
private US organizations than the
government.

The difference between the
US support and Libya's terrorist
activity is mainly a power difference.
They could never really hurt USA but
the USA could wipe them off the map.
WHO DO YOU THINK WILL REPLACE REAGAN ?
BETTER OR WORSE ?

My guess would be George Bush. I think
he'd be moderate better.
DO PEOPLE IN AMERICA REALIZE THE ILLE
FEELING TOWARDS THEM FROM EUROPE ?
Yes, and I think it's much worse in
other areas of the world. Do people
in Europe understand that Americans
are every bit as frustrated with our
tax money is paying for Europe's
defence?

IAN MACKAYE

Who ever he may be!!!

Before I had heard Minor Threat I used to think I was the only person that didn't like to drink or smoke. Then to actually hear a band sing about staying straight was so reassuring and inspiring, to know you're not alone. So special thanks to Ian and Minor Threat for being there at the right time.

This interview is part of a 40 minute tape which will appear in the next issue of Object Dismembered, so get it! Big thanks to Dave for letting me use this stuff.

DO YOU STILL IDENTIFY WITH YOURSELF AS A PUNK?

Yeah, I consider myself a punk, that's what I am, it's a way of life. I don't associate or identify with the hardcore scene - that I don't know about. I don't consider myself a hardcore or whatever. I think that it has lost a lot of value, a lot of its meaning. Not the music itself but just the associating and titling of it has made it cheap.

HOW LONG HAS DISCHORD BEEN GOING?

We celebrated our fifth anniversary in December, so five and a half years.

WHAT MADE YOU WANNA START THE LABEL?

Cos we had a tape, we had the money and decided we wanna put it out and everyone said we couldn't, so we said 'fuck you and we did it.

We wanted to start a label cos - by the time came out Youth Brigade, S.O.A. and Minor Threat had all formed. We all formed Dec '80 and the record came out Jan '81. So the moment that came out everyone else wanted to put out a record, and we said 'fuck let's start our own label and put out our own records.

DID YOU EVER THINK IT WOULD GET TO THE STAGE IT HAS NOW, NOT SO MUCH HOW MANY RECORDS YOU'VE PUT OUT BUT THE RECOGNITION THAT YOU'RE ONE OF THEM, IF ONLY, SINCE LABELS THAT EVER EXISTED?

I don't know. It just seems to me that was the way it's supposed to be. So I just did it. I don't realize anything like that. It surprises me when somebody thinks we're something big.

When people call and wanna visit our store or see our warehouse or some shit like that. We're a very fuckin' grassroots organization and I like to keep it that way. I like the homegrown aspects. This is what we do and I like the way we do it, we don't play by big rules, we don't do list price, we don't play by business rules. We put out records and get them out at a fair enough price.

(Goes on to talk about distribution, money etc.). Talking about the D.C. scene then... WHAT CAN YOU SEE AS BEING THE WORSE THING HAPPENING?

I'd say the shift to the right is pretty nasty. WHAT, DO YOU MEAN LIKE THINGS THAT ARE GOING ON IN NEW YORK?

No, just sort of the disregard for human life. I mean there's been a lot of murder and violence or brutality just in the name of punk or skin or whatever. I just hate to see people getting hurt one way or the other. That's pretty stinky.

I also say that the cheapening of the whole thing, just making it into another form of rock and roll, that's pretty disturbing to me. DOES IT SURPRISE YOU HOW PEOPLE ACCEPT ALL THAT SO EASILY?

No. I consider most people to be, not so much stupid, but more often than not, not willing to go out on a limb and much more willing just to follow.

I can't blame people cos it's tough. You don't wanna be uncomfortable, you don't wanna be alienated, you wanna belong so they go with what's happening. So no it doesn't surprise me.

WERE YOU SURPRISED THAT THAT ONE SONG (STRAIGHT EDGE) THAT JUST HAD SUCH A HUGE...?

(Ian talks over last word) No! Because so many people in the world don't wanna do dumb things. And for once somebody said 'Hey fuckin' right on, go, we're ok'. Once some one says it's ok not to be a fuckin' idiot you know. Everyone else in the world has been singing about 'drink ya Jack Daniels, let's party all night, all night long or whatever. That's like the whole teenage rallying cry. I mean it's so obviously a fuckin' scam. Everyone is saying 'lets get dumb, lets get dumb' and if I say 'Fuck you man', you know. I just happen to sing a song, of course people were into it because a lot of people do think it's dumb.

I'm not alone in this thing a lot of people really agree with me - all over the world I would think. And it's not like it was my idea. I just sang it.

It surprises me, a little overwhelming. I mean to this day 'Straight edge' is still such a fuckin' big deal. I mean I really wrote this song 6 and a half years ago now. I wrote it before Minor Threat. I wrote it Nov '80, 6 years ago. THERE WAS SUCH A THING AS 'STRAIGHT EDGE THOU' WASN'T THERE WAS THAT LIKE...?

No, it's the title of a song IT WAS A TITLE?

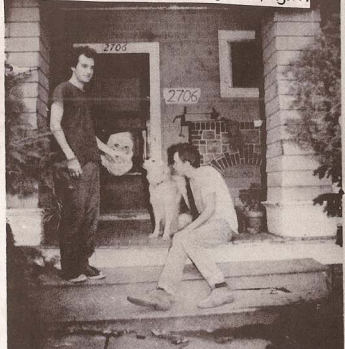

Um, yeah, I've got the straight edge".

(There's lots more talk about Straight edge here, but that's the end of this interview).

Every once in a while 10 dollars door price can be justified, that's only when a band has come along way and is playing with about 5 or 6 other bands. Most bands aren't worth 10 dollars, there are a few maybe.
COULD YOU EXPLAIN SOME OF YOUR LYRICS?

Well they have to do with a few different things. All can be interpreted into one main message. We need unity in the scene and within society to overcome problems. Also we have a song called 'Improve' which is about how we all have faults and we shouldn't rag on each other for them. Because someone's fault was probably one of ours also.
HOW DID THE TOUR GO?

It was a really good learning experience we met lots of cool people. We played four shows. The best one was in San Francisco. We had a great show and met some really cool people.

WHY ARE AMERICANS SO ANTI-LEFT-WING? After all if rich PEOPLE DON'T TREAT THE POOR LIKE SHIT COMMUNISM WOULD NOT EXIST.

Because America is a very pride orientated country. Also men in this country are raised to think that man has to be macho and dominate. This how our country is run. Most Americans would rather have a dictatorship in this country over communism. It is considered evil in America. It's all because of the brainwashing and conditioning from school, media etc.

DO YOU THINK US PUNKS ARE LESS POLITICAL THAN UK/ EUROPEAN PUNKS? IF YES WHY?

Yes, European bands, zines, punks seem to care more. They print tons of pamphlets and almost every record or zine has a message to it. We have lots of political punks but they don't seem to last. Attitudes aren't as permanent as Europe. I get the feeling European punks are more dedicated to what they do.

ARE THERE ANY VEGGIE PUNKS IN SEATTLE?

I don't know, one member of False Liberty is a vegetarian (Greg).
WHAT DOES SEATTLE OFFER THE TOURING PUNK BANDS, CLUHS, PLACES TO STAY?

Hardly shit! The city passed an ordinance outlawing all ages shows. So we have to go outside the city limits or do shows illegally. Bands can always find a place to stay in Seattle. As well as punks.
WHAT FIRST GOT YOU INTO PUNK? HOW DO PEOPLE AROUND YOU REACT?

I, Greg, first got into punk from other members of the band about a year and a half ago. People really don't notice. Most people think it's interesting if they find out about it.

WHAT MATERIAL DO YOU HAVE OUR 2 PLANS?

We have 'The Zoo is Free' demo and a 7" out on ONE STEP AHEAD records. It's called 'Silence is Consent'.

The demo has 6 songs on it and the 7" has 7 songs. We plan on having a 12" out next summer.

ANYTHING ELSE YOU'D LIKE TO SAY?

Yeah, thanks for the interview. Everyone please write us! We want correspondence from anyone. Support your scene!! Let's unite before it's too late. If anyone is interested we have the following available.

- PUNKS AND SCENE REPORT -

Well hello to everybody from Euzkadi in the North of Spain. It is better known as the Basque region and is made up of 3 provinces, 4 if you include Navarra. This region causes most problem for the government because of ETA. So there is much repression and many cops. Now what is happening in each region.

GUPUZKOA.
 There are a few squats here and free radio stations in different towns. Lots of zines and bands. From Renteria come Basura and Odio and the zine Unica Alternativa, there also is a free radio station.

In Pasajes de San Pedro there is the most noisy band in the region, Eizen, they have good lyrics and do a zine.

San Sebastian is the capital of the region. Bands here are Txorro Morro and Opatidion. The zine Destruye!! and a radio station.

In Andoain are BAP, I think the best band in the region they play fast with good lyrics and have just put a tape out. Xinarra play like Bap. Sarria are a very funny band. Here there is a great squat where bands like Larr, Negazione, No Pigs have played.

R.I.P. come from Mondragon they had a song on the MHR comp. Other band here are Maizena, they play r & r with good lyrics, runetazo and Piperra. Zines Extinction and Puuag!! my zine. We are trying to find a place to do a youth centre.

BIKZ LE.
 The most active town here is Basauri with 4 zines and 2 bands. Radical R.C and Mierda Radiactiva. In Bilbao there is a squat but they have alot of problems with cops.

OSTIAS REBELATE

ALAVA

In Vitoria there is a free radio station but they have lots of problems with cops. Some members were sent to prison. A good zine here is Resist, all the zines it's about Squatters, free radio stations, anti-religion, against the police. Bands here Calatriz, Potato, Hertsainak.

NAVARRA

In Pamplona there is a great collective of squatters called Katakarak who are very active. Also free radio stations and bands. Tijuana in Blue who will record an LP with Potato, Porcueria & who play fast, Barriocada, Ultimatum. In Tudela we have a group of puppets called Teatrillo Movil Riki and Rake they are very funny and good, they believe in anarchy.

Well that is all for this scene report if anybody wants to write to trade tapes, info, records, zines, I also will distribute stuff. Write to.

The Oysters are a great band out of Boston. The following interview was done sometime around October '86. Thanks to the band and Taang Records.

COULD YOU GIVE A BRIEF ROUND UP OF EACH OF THE BANDS MUSICAL BACKGROUND?

Vocals/guitars - Richard
Bass player - J.R.

Both Richard and J.R. were in Stranglehold, 2 records out a mini lp "Stranglehold" and a 45 "She's not leaving" Taang 3. Rich played guitar in Darleks and Cheapskates (no vinyl).

J.R. sang for Gang Green one show only and also played in Decadence. Dave Predette was never in a band before.

There have been four Oysters drummers in one year. First Dave Collins, who plays on the L.P. ex D.Y.S. and Cheapskates drummer also played in Neats and Outlets he left. Next Dave Bass (he appears on video of On Special) past history is lengthy but here's a few. Third drummer Eddy Hopkins plays on the 45 "Tell me" and toured with the band. Fourth drummer is Rob Wolcott originally in The Not Also has recorded with The Oysters but no vinyl released yet with Rob.

HOW WOULD THE OYSTERS SOUND BE BEST DESCRIBED?

Oysters can best be described as very-heavy loud guitars, catchy melodies, bluesy-garage punk.

WHAT SORT OF AUDIENCE DO THE BAND ATTRACT?

Locally in Boston The Oysters are heavily supported by other bands. They seem to be bands choice. Members of all the different Boston bands can be seen wearing Oysters t-shirts on stage and stickers on equipment.

DO YOU GET MANY PINKS YELLING FOR OLD SONGS FROM PREVIOUS BANDS?

Not really, we did Stranglehold and "She's not leaving" when we started out. But people want to hear Oysters songs from the first LP which we don't do anymore. Our live set has all new songs. The only songs we play from the LP are "On Special" maybe "Headhunter" and "Reeperbahn" rarely, very rarely.

ANY LYRICAL MESSAGES?

We write about what happens to us in everyday life in Boston. Working, drinking, girl relationships, making ends meet.

ARE YOU INVOLVED WITH THE HARDCORE SCENE?

No, not at all we never were. Stranglehold was a Punk rock band not a hardcore band.

IS THE BAND A FULL-TIME JOB? WHAT ELSE DO YOU DO?

No not full time we all work. Rich is a bike messenger (on a moped), J.R. is an actor (first film "Airborne out in '87"), Dave works with film.

DO YOU THINK THERE IS A DIFFERENCE BETWEEN PEOPLE IN BOSTON TO L.A. AND NEW YORK? TELL SOMETHING ABOUT THE BOSTON AREA?

In Boston you have all the colleges and theatres, museums, political groups, unions everything in one small area. There's all kinds of people with different attitudes, political opinions.

Musically Boston is a Rock and Roll town. Great clubs and the best bands in the world in it from Blues to H/C, Industrial, noise, pop everything. Just look at our label Taang.

CAN YOU GIVE US SOME HINTS TO LOOK OUT FOR?

Moving Targets, Bossstones, Lemheads.

DO YOU SEE THE BAND STAYING TOGETHER?

Who knows.....

DO YOU EAT A LOT OF GREEN EGGS AND HAM? WHY THE LP TITLE?

We eat green eggs and ham everyday. Dr. Seuss is our inspiration. Do you ever go to "CHEERS" BAR OR ST. ELIGES?

Never.

(THE LAST TWO QUESTIONS WERE DEEP AND MEANINGFUL, AYT Pete note)

WHAT BANDS INFLUENCED YOUR SOUND AND WHO DO YOU LIKE?

Bo Diddley, Stiff little fingers, George Thorogood, The Clash, Neats.

Line Spiders, Damned, AC DC.

ANYTHING ELSE YOU'D LIKE TO ADD?

Yeah, buy our new 45, and LP if you don't have it already.

OYSTERS RELEASES

Feb '86 - "Green ham and eggs" 10 song LP. 11 dollars air. 7 dollars surface.
March '86 - "Headhunter" on Mr. Beautiful presents all hard comp LP (Modern Method)

May '86 - video of "On Special"

Oct '86 - "Mine Caroline/Tell me" 7" 3 dollars plus postage

USA.

Coming out of Seattle, up in the north-west Usa are False Liberty. A band from all accounts going places, here's an interview with the singer Greg. Ya very much to him for answering.

WHAT IS THE REASON FOR STARTING A BAND?

Well at first it was for fun, but now it's a really serious thing.

DOS THE USA HAVE 'FALSE LIBERTY' IS THAT THE REASON BEHIND THE NAME?

I think the usa is really great because we have all this freedom and liberty but it's slowly decaying. For example... in some states they have outlawed Sodomy (buttrucking). That's the most ridiculous thing ever. YOUR SONGS "MELT" IS IT ABOUT THE OLD BANDS? THAT ABOUT THE NEW BANDS SIGNING TO MAJOR LABELS?

No, that song is about bands like DRI, Agnostic

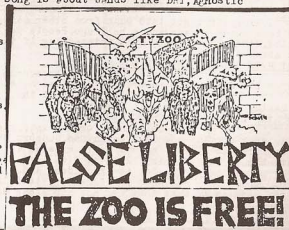

Front who have gone onto major labels and totally forgot about the past, being total rockstars. Metal labels are useless and a total let down to punk H/C. They twist bands minds with cash and the promise of popularity. They are poisoning H/C and turning it into big business. "AMERICAN SHOW PRICES SER"

VERY EXPENSIVE ESPECIALLY

THE BIG BAND SHOWS ARE

BANDS WORTH 10 BUCKS TO SEE?

That can be because of a huge band on a big label and the promoter knows people will pay that so he charges it.

RATOS DE PORAO

After along time in waiting the new Ratos de Porao lp is about to attack the ears of the world. The following interview was done by my good chum Marcos around 22 October. All answers by Joao the singer.

WHY HAS THE BAND STARTED TO ASSOCIATE METAL INFLUENCES TO THE SOUND ?

I was the first in the band who had metal influences, in '84 when i heard Metallica, Venom, Slayer. The other band members didn't agree with it and they called me a heavy shithead. I split up with the band for 6 months when i was to sing in another band, but when i came back to RDP they started to accept my ideas and play a little better hearing metal.

THESE INFLUENCES COME FROM WHICH BANDS ?

Our biggest influence was Discharge, but now we love lots of bands like Exodus, Slayer, Metallica, SOD, Onslaught, Anthrax, DRI, English Dogs, Anti-Sect, Sacrilege, Disorder, Rattus, Ramones etc etc. But our major influence nowadays comes from SOD.

WHAT ARE YOUR MORE RECENT SONGS ABOUT ?

We write about death, destruction, violence, drugs (we're against all kinds of drugs what inject in veins only), our government, paranoias, and junkies (who lives only to drugs).

DO YOU THINK PUNK AND METAL LYRICS THESE DAYS HAVE BECOME CLICHÉ AND REPETITIVE ?

I'm tired of hearing the same stories every song. Metal bands singing about Satan and punk bands singing about war, but there aren't too much items to write. I hate lyrics about love.

WHAT DO YOU THINK ABOUT THE PRODUCTION OF YOUR NEW LP ?

I think this is much better than our first LP. It had bad recording and a idiotic production of Fabio (Olho Seco). Now we signed to Baratos Afins label of Luis Calanca (the biggest independent label in Brazil), who is more famous and the production is OK.

ARE YOU WRITING MATERIAL FOR A FUTURE RECORD ?

Yes, we are currently writing good songs to a future record, songs over 7 minutes, too.

WHAT ARE YOUR VIEWS ON TODAY'S PUNK SCENE ? DO YOU THINK METAL WILL GIVE PUNK THE REJUVENATION IT NEEDS ?

The B/C punk bands nowadays aren't good like in the past.

DESCANSE em PAZ
REST IN PEACE

JABA, JOAO, JAO, NELSON

The oldest bands got good metal influences and became really great, the speedmetal bands also has influenced by hardcore punk.

HOW WOULD YOU DESCRIBE YOUR MUSIC ?

A motorkiller sound.

WHAT IS YOUR FAVORITE DRINK ?

We're all a bunch of drunks, we drink beer, whiskey (2 bottles each weekend) but also milk and guarana.

WHAT DO YOU THINK ABOUT BRAZILIAN PUNK AND SKINS ?

The major part of Brazilian punk are idiots, stupid, fuckin' shitheads, violent and ignorant without information. The bastards who call themselves as Skins are worse, racist without reason, some are semi-black and without any kind of culture, total mindless, i hate them all.

YOU STILL INCLUDE OLD SONGS IN YOUR GIGS, DO YOU PLAN TO DROP THESE SONGS IN FAVOUR OF NEWER ONES ?

We still play some of our old songs because people coming to see us expect to hear them.

DO YOU THINK THAT THE CURRENT ADVANCE OF RDP TO GET FAMOUS THROUGH TV, RADIO, MAGAZINES IS BECAUSE YOUR MANAGER IS INVOLVED WITH ?

Yes, it helped us alot. WHAT DO YOU THINK ABOUT BANDS LIKE INCUBUS THAT START TO GET MONEY AND BECOME COMMERCIAL ?

I hate them and their sound, sold to themselves for a little money. We want to show to all those bands that we can get money playing a sonic wall of insanity.

DO YOU LIKE ANY BRAZILIAN BANDS ? No, i hate all Brazilian bands. DO YOU USE DRUGS ?

We smoke alot of Marijuana (grass). HOW DO YOU SEE THE FUTURE OF THE BAND ?

I really don't know, i can't see the future. WOULD YOU LIKE TO SAY ANYTHING ELSE ? We don't have ideology anymore, don't know what's anarchy, we're all drunks and have no future dreams, we play our music for pleasure in this fuckin' life, we're a lost youth in the world yet.

Well that's RHP. I should get some copies of the new LP to sell.

WOULD YOU TAKE THESE BOYS HOME TO MEET YOUR PARENTS ?

OVERDOS E/ SEPULTURA - SPLIT LP

SEPIULTURA - SPLIT LP
This is Brazil metal, overdone never reach thrash speed in their three songs. Lots of guitar breaks etc. Sepultura surprising, sing in English and come out with the usual shit, Anti Christ, Satan lyrics. The music ain't bad thrash metal.

A NIGHT OF RAGING MADNESS.

DORSAL ATLANTICA - ANTES DO FIM LP

Poor production really lets this record down. Good thrash/metal with i'm told decent lyrics but the sound is way to tinny and quiet, no power. Unusual for metal to have a shit production.

Laranjas - Dinhero Gasta
A Ramones influenced band from Brazil. Pretty basic music with one slow ballad type song and a fast short effort. Don't go out of your way to find this. Wait till they get better.

FOUR BANDS - SP METAL II COMP LP

Only one thing they said was
I think they are other than
I've heard. The other was
traditional style metal. Ok if you
of things but Korzus really THRESH MAAANNNNN
I don't know how you can get these records I
swapped 'em. I'll tape em if you send a tape and
postage.

MDC - Smoke Signals
This is good but I feel there
is something missing. I dunno
what it is. Not as inspirational
and memorable as the first lp
and why the need for two
previously released songs.
Still I like it more
I play it.

the more I play it.

Tom, A good Brit band, probably
cos it's influenced by U.S
bands. Its about 8 songs but 1
can't be bothered to reach
for the tape so there could
more. Get it and find out, C/O
send tape and post to Ed
Skate City Tribune Zine.

the end don't forget English

attention to the usa, which is
fair enough but why in the
RAW Power rock scene, sweeping
European b/c how many bands are
dismissed by that. Maybe someone
